

FARRAH (cont'd)
The rain will let up. And we'll run to the airport.

BOSLEY
How long have you been an *aswang*?

FARRAH
I'm not an *aswang*.

BOSLEY
Farrah, I saw what you did. We all saw how you--

FARRAH
That was Leelee.

BOSLEY
No. It was you. You're an *aswang*.

She is quiet.

START -----
BOSLEY (cont'd)
How'd you get this way?

FARRAH
Bosley.

BOSLEY
Were you just born a--

FARRAH
Bosley, this isn't *The Crucible*!

BOSLEY
The what?

FARRAH
Nothing. Forget it.

BOSLEY
I can see it. I've always thought you've had this, this power over me.

FARRAH
Oh my God, Bosley, really?

BOSLEY
Sometimes, you can be scary. When you're upset, pissed, I can feel what you think. Like your judgment digs into me.

FARRAH
You've always been so gullible. Mom was just scaring you about *aswangs* when we were kids.

BOSLEY
Umm, you believed they existed too.

Farrah digs through her purse.

FARRAH
That shit isn't real, Bosley.

She opens a cigarette pack - it's empty.

FARRAH (cont'd)
Fuck.

BOSLEY
If it's not real, then why are you so freaked out right now?

Farrah digs through her handcarry, takes out the cannister, searches the bag.

Rain slowly comes to a stop.

FARRAH
Fuck!!

BOSLEY
What?

FARRAH
I'm out of cigarettes.

BOSLEY
The rain stopped.

FARRAH
Shit, let's go.

Bosley scurries up. They're about to go when the MOON calls Farrah's attention.

She GASPS.

BOSLEY
What?

FARRAH
He-- Gustavo cheated on you?

BOSLEY
He told you?!

FARRAH

It's true?

BOSLEY

He promised he wouldn't say anything. We were supposed to--

FARRAH

Gustavo didn't say anything to me.

BOSLEY

Who told you?

Her eyes are drawn to the moon.

FARRAH

Percy?! It was Percy?

BOSLEY

You fuckin' see things in the moon!

FARRAH

They're besties, Bosley.

She slips the cannister back in the
carryon. Rain POURS.

BOSLEY

Shit!

Bosley scurries back to the tree.

FARRAH

What are you gonna do about it?

BOSLEY

Jenry said if you see things in the moon--

FARRAH

All that time they spend together. Percy posed for like four
of Gustavo's paintings.

BOSLEY

Do you see things in the moon or not?

FARRAH

Okay, yes! I do. I see things in-- in the moon.

BOSLEY

You're an *aswang*.

FARRAH

No.

BOSLEY

You see things in the moon, you're like getting visions, you have powers!

FARRAH

That doesn't mean anything.

BOSLEY

It means you're an *aswang*!

FARRAH

No!

BOSLEY

Look Farrah, I don't care if you are. Just own up to it.

FARRAH

I'm not a fuckin' *aswang*!!!

Bosley's knees give out - he falls to the ground.

They stare at each other - both a little nervous.

FARRAH (cont'd)

That-- that wasn't me.

BOSLEY

Right. Cuz you're not an *aswang*.

Farrah is quiet.

BOSLEY (cont'd)

Is it just me or do you not let anyone in?

FARRAH

I'm not a sharer.

BOSLEY

It usually helps, to talk it out and--

FARRAH

I'm not like you, Bosley.

BOSLEY

It's really strange, seeing you so afraid.

FARRAH

Afraid of what?

BOSLEY

Of-- of being you.
